

May 22, 2025

Good morning! Our **26<sup>th</sup> Annual Community Health Fair** on May 14<sup>th</sup> was a success! Presented in celebration of **National Skilled Nursing Care Week**, the theme was, **“Tapestry of Life!”** We sincerely thank everyone who took part in this free, community service event. Twenty-two service providers offered health information and screenings, such as blood pressure, balance, and HIV screening. Attendees from several Metro Atlanta senior centers attended, including the Auburn Neighborhood Senior Center, New Horizon Senior Center, and Dogwood Senior Center. They enjoyed rocking to **“Boots on the Ground”** with the Senior Steppers of Tracey Wyatt Recreation Center and exercising with Kamilah “Coach K” Williams. They heard great music from our residents’ choir, the soulful vocalist, Najuma, and DJ Barake. They even experienced calming sound therapy. In conjunction with the “Tapestry of Life” theme, Ms. Geraldine Brewton, displayed her own exquisite, handmade quilts. The attendees also enjoyed raffle prizes, tasty refreshments, and more!

Our major sponsors for this wonderful event were Passionate Care Hospice & Palliative Care, Aegis Therapies, Gayco Health Care, Mauldin & Jenkins, and Citizens Trust Bank. None of this would have been possible without their support, and that of our service providers, and volunteers. We are grateful to you all! Enjoy the photos and information below.

Sadie’s Anointed & Appointed Dancers – C. Woods , S. Curier, and C. Andrews of SGM; Senior Steppers of Tracey Wyatt Recreation Center.; Ms. G. Brewton, Quilter

**Special Thanks to Our Sponsors, Service Providers & Volunteers!**
